

# I AM ENOUGH

I am enough. Yes, really.

I am \_\_\_\_\_ enough.

I am \_\_\_\_\_ enough.

I am \_\_\_\_\_ enough.

I am \_\_\_\_\_ enough, \_\_\_\_\_ enough and \_\_\_\_\_  
enough to be content with my life right now.

I have enough \_\_\_\_\_, enough \_\_\_\_\_ and enough  
\_\_\_\_\_ to be optimistic about the future.

I am \_\_\_\_\_ enough, \_\_\_\_\_ enough and  
\_\_\_\_\_ enough to be content in my own skin.

I remember a time when I had enough \_\_\_\_\_ to be able to  
\_\_\_\_\_.

Another time, I was \_\_\_\_\_ enough to \_\_\_\_\_  
\_\_\_\_\_.

I have had enough \_\_\_\_\_ to be able to face \_\_\_\_\_  
\_\_\_\_\_.

I've also had enough \_\_\_\_\_ to know \_\_\_\_\_  
\_\_\_\_\_.

I know I have enough \_\_\_\_\_, enough \_\_\_\_\_ and  
enough \_\_\_\_\_ to become the dancer I want to be.

I know I have enough \_\_\_\_\_, enough \_\_\_\_\_ and  
enough \_\_\_\_\_ to be able to get through challenging times  
ahead.

I have enough \_\_\_\_\_, enough \_\_\_\_\_ and enough  
\_\_\_\_\_ to trust that I will find my way.

I am enough.
